ATTENTION - Effective January 1, 2010, the 2009 International Energy Conservation Code (IECC) will be in effect. The previous document used under the energy provisions of the 7th Edition Massachusetts Building Code was the 2006 IECC w/ 2007 amendments. PLEASE NOTE - Any building permit application submitted after December 31, 2009 will be subject to the 2009 IECC requirements.
