What will Bedford look like in 10 years? What should we be aiming for?

Join us at Bedford High School, in the Large Group Instruction Room, to talk about your vision and ideas for Bedford's 10-year plan!

The evening will feature a brief presentation by the consultant team at JM Goldson shortly after the event starts. After that, it'll be open-house style. You'll be free to explore different stations, talk about your ideas with the consultant team, Town staff, and Advisory Committee members, and share some light refreshments!
