

Bedford's 2021 Rain Barrel Program

Rain Barrel Benefits:

- Decrease your water bill.
- Have an alternate source of water during droughts.
- Have a chlorine and chemical-free water source for plants and gardens.
- Improve stormwater management.
- Reduce pollution from runoff.
- Lower municipal water demands.

About The Great American Rain Barrel:

- 100% re-purposed, food grade, UV protected and BPA free barrels. **Produced in Massachusetts.**
- Most durable rain barrels on the market: 3/16" wall thickness.
- Will last for years when properly drained & stored for winter. Pay for themselves in one year.
- Screen filtered to keep mosquitoes out.
- Several rain barrels can be linked together — easy 5-minute setup.
- **Available Colors:** Forest Green, Earth Brown, and Nantucket Grey. Also available unpainted.

How to Purchase Rain Barrels:

Rain Barrels are available for purchase by residents at the discounted price of \$69.00 each.
