

**Bedford Community Forum**  
Reed Room, Bedford Town Hall  
10 Mudge Way, Bedford  
**Climate Impact of Private Jet Expansion at Hanscom or Anywhere**  
Thursday, September 28, 6:30 - 7:45 pm, in-person or zoom

**DISCUSSION PANELISTS:**

[Neil Rasmussen \(in person\)](#)  
President, Save Our Heritage

[Emily Mitchell \(in person\)](#)  
Bedford Select Board

[Bill McKibben \(via Zoom\)](#)  
Author, Educator, Environmentalist

Massport is planning a massive hangar build-out for private jets at Hanscom Field (**NOT** at Hanscom Air Force Base), representing the **largest single development in Hanscom's history**. If carried out, these plans will dramatically increase greenhouse gas emissions and undermine municipal, state, and national climate goals at a time when climate scientists are urging us to accelerate these goals and reduce greenhouse gas emissions.

The speakers will present information on the proposed expansion and its impact on our climate and our community. After hearing from the speakers, there may be opportunity for questions.

**RSVP** to attend in person or by Zoom: [REGISTER HERE](#) - Or **SCAN QRC** (bottom right corner)
