Answers to questions submitted:

1: Question: *We noticed that the column on the right side of the page is labeled "Total Annual Cost". Does this mean that you would like companies bidding on the contract to use this form three times to indicate the total annual cost for each of year 1, year 2 and year 3 of the contract? Will you calculate the low bid based on year 1, or based on all three years? Please clarify.*

Answer: *In Appendix D, Part 10, pages 12-13, the Evaluation Form that Bedford Public Schools will use to compare bids, for all three (3) years of the contract, has been included. Bidders DO NOT fill out this form as it is included only as an example, as stated on Page 1 of Appendix D.*

2. Question: *Please supply a list of all who have requested a copy of the bid documents.*

3. Clarification: In Appendix D, Part 10, page 12, Section 2, under Field Trip/Athletic Transportation, Column - Average Hours of Waiting Time, we inadvertently did not delete and grey out the number three (3) in the Price Per Mile Traveled row. This has been corrected for our Evaluation Forms to be used at Bid Opening.
